When fitting flush pull handles we recommend the stop be regulated so the door protrudes from the pocket to avoid risk to fingers.

Should the door be set to enter the pocket completely we not accept any liability,

Plasterboard not supplied.

Sliding system, door jambs and final architraves all supplied.

Sliding system, door jambs and final architraves all supplied.

Please specify at time of order if doors should be cut for flush pulls. If not specified the doors will be cut for as standard.

Dimensions are given in mm
